**The Schroer Group celebrates 45 years of family, growth, and quality
in the long-term care industry**

Ongoing celebration to honor the legacy of Sue and the late Gerald F. Schroer Sr.

North Canton, OH— It started with the purchase of a 50-bed nursing home in 1973. Now with four companies, 29 locations and 3,700 employees, The Schroer Group Inc. is excited to mark its 45th anniversary in the long-term care industry on February 26. An ongoing celebration continues throughout the year remembering where the company started, and embracing what it has accomplished. It will also honor the legacy of founders Sue and the late Gerald F. Schroer Sr. while looking forward to a bright future of a family-owned business.

“Our story really is the American Dream,” said Jerry Schroer Jr., Chief Executive Officer of The Schroer Group. “Our mom and dad’s commitment, foresight and focus on quality care and service paved the way to where we are today. And none of it would be possible without the hardworking people who helped us get here. Everyone in The Schroer Group family is proud of reaching this milestone.”

Today, The Schroer Group has grown to be a parent of four family-owned companies: Altercare Integrated Health Services, Absolute Health Services, Avalon Foodservice and Leverage Purchasing Group. The Schroer Group is committed to providing a continuum of quality care. This was evident when U.S. News and World Report selected nine Altercare facilities as a “Best Nursing Home for 2017-2018.”

“There’s a belief in the human being—a focus on the resident,” said Schroer Jr. “We believe in quality. We’ll put time, energy and resources behind to make sure we’re providing quality care to residents, customers and our employees.”
