Employee of the Year

Charlotte Tyler

LSW, Social Service Director

Altercare of Nobles Pond, Inc.

Charlotte Tyler is a Licensed Social Worker and has been with Nobles Pond for the past 11 years. As Brenda Petro, Administrator, states... “Charlotte has been a significant asset to us, and sets the standard for “outstanding”.

Charlotte is dedicated, organized and detail-oriented. She has a caring attitude and willingness to help in every aspect of resident care. Because of Charlotte’s ability to excel, she is the perfect choice to train new employees. One of her recent trainee’s remarked... “she is patient and takes her time teaching. She teaches instead of tells. And her feedback is very helpful”.

Charlotte is a huge proponent of volunteering and has enlisted family members to enhance events at Nobles Pond. Mom and Dad help with events, Dad is Santa at Christmas and Charlotte’s daughter is Grandpa’s #1 elf helper.

Charlotte is a talented crafter, baker, gardener and cook and Nobles Pond benefits from these talents throughout the year. We are so very grateful that Charlotte is part of our team.
