

Long-Term Care Hero Patty Bettinger

Summit Acres Inc. *Skilled Nursing & Rehabilitation*

We congratulate Patty Bettinger, Summit Acres, who was named as the Ohio Health Care Association (OHCA) Long-Term Care Hero for August, 2016.

Patty has been a positive influence at Summit Acres

over the past 32 years! Serving in many capacities, including STNA, unit coordinator, transport aide, admissions coordinator and now as receptionist, Patty said she realized early on her call was to help people in any way she could. Rich Stephens, administrator believes she has accomplished that and said, "Patty exemplifies the special type of person that makes a difference in someone's life everyday. She is quick to jump in and lend a hand, her compassion for a job done correctly and with a gentle spirit has aided the residents of our small town immensely." This is what makes her a hero!
